4 wheel base

5 wheel base

#### Description

The GeniStand is a cost effective, light and versatile roll stand ideal for all in one (AIO) PC or monitor applications. Ergonomically designed with high durability castors, both the 4 or 5 wheel bases ensure smooth and effortless mobility, addressing the needs of a fast paced healthcare environment. Minimal footprint and integrated cable management provides a clean and uncluttered workspace.

Powered with the award winning GeniTec™ Battery System, the GeniStand can provide a truly wireless solution. Power module can be quickly charged on wall mounted charging station allowing for 24/7 operation using the dual hot swap dock option.
