Lightweight Device Stand

Features

- Easy Cleaning
- Lightweight & Maneuverable
- Adjustable or Fixed height
- Compatible with our GeniTec™ Power on Pole System
- Small footprint for space saving
- Monitor and device mounts available
- Infection Control Friendly

Description

The EcoStand is a light but strong roll stand for the mounting of small monitors or devices. It has a stable platform with heavy duty castors. Infection control friendly surface finishes, textures and materials allow for quick and effective cleaning. You can colour-code your EcoStand range and add accessories to compliment your working environment. Additionally, we can incorporate mobile power by adding our GeniTec™ Power On Pole power system.
